Presentation Time	Week9 Groups	Rate (from 1 to 10)	Explain the strengths	Explain the weaknesses
06:00pm - 06:05pm	62	7	Good analysis	Disturbances in the recording

06:06pm - 06:11pm	54	8.5	Well explained techniques and algorithms	Choppy audio in one of the slides
06:12pm - 06:17pm	36	8	Well explained and in depth analysis	Slides weren't synced well with the audio Pre-processing not discussed enough
06:18pm - 06:23pm	6	7.5	Drilled down through sub visualisations	Only 3 visualisations complete out of minimum 7
06:24pm - 06:29pm	30	7	Preprocessing well explained	Video had a glitch in the middle Tableau visual was not clear in the analyses
06:30pm - 06:35pm	59	7.5	Clear visuals	Only sub data is considered. At least on visual should've summarised all the data

06:36pm - 06:41pm	67	7.5	Tasks clearly defined	Visuals didn't tell a good story
06:42pm - 06:47pm	9	7	Visuals with expansive information	Pace was not uniform
06:48pm - 06:53pm	55	8	Strong visuals and slides	one of the slides was very vague and explanation wasn't sufficient
06:54pm - 06:59pm	33	7.7	Good animations supported by strong audio explanation	Word cloud didn't really convey any important information with respect to the content
07:00pm - 07:05pm	52	7	Visually appealing slides	Minimal preprocessing done

07:06pm - 07:11pm	22	8	Steady pace of presentation. Good animantions	Slides font wasn't the most legible
07:12pm - 07:17pm	68	8.5	Well defined tasks and clearly explained preprocessing. Good animation	Missing data/null values were not eliminated
07:18pm - 07:23pm	26	7	Well structured explanation over the slides	Too many visuals in one slide
07:24pm - 07:29pm	11	8.5	Tasks clearly defined	Drilled down explanation was given but the presentation lacked a general summarisation
07:30pm - 07:35pm	65	7.5	Visual heavy slides	Lack of story telling aspect in the presentation

07:36pm - 07:41pm	31	7	Clear and self-explanatory slides	Uneven pace of presentation
07:42pm - 07:47pm	29	7	Visuals with clear inferences	Slides were too verbose
07:48pm - 07:53pm	93	7	Inferences were presented well	Preprocessing wasn't explained well
07:54pm - 07:59pm	4	7.5	Good inferences	Visuals could've been better
08:00pm - 08:05pm	13	7.5	Well presented	Very verbose slides
